F-Council Desks

On a frequent basis, we have a extremely experienced CFO on-call to take questions on a specific topic or industry. This helps to provide a platform for experienced CFOs to discuss problems they are passionate for and exchange their views or opinions they may have learned from the past.

F-Council Connect

F-Council members can search profiles of hundreds finance executives from leading multinational corporations in China through F-Council Connect anytime, anywhere. This tool provides a privacy-protecting process by which members can receive sound advice from finance executives best able to provide.

The profiles complement executives’ own offline networks by being relatively unbiased and efficient (eg. skip for lunches or conferences)

How does it work?

Members can search F-Council Connect Profile database and identify the finance executive best able to provide suggestions when they need advice anytime and anywhere. Using the F-Council Connect platform, members can request to communicate with that finance executive by emails. Then that executive who receives requests for advice will be asked to reply within 48 hours.

Your personal network is useful, however it often has limitations.

F-Council has delivered the very best solutions to most pressing, shared concerns in finance areas in the past, for present and will continue in the future. The F-Council Network provides you a complementary benefit: a credible, practical guidance that is 100% relevant to your specific, instant need.

Why is F-Council Connect So Different?

You may realize that most online social networks are fine for “Socializations,” but F-Council doesn’t offers you sales pitches or spam messages. Only valuable information will be passed on to you.

Avoid These Predicaments through F-Council Now

A huge capital expenditure may occur if one decides to seek advice from consulting firms, like PWC, or Deloitte; however, one has to admit that their consulting services are more or less based upon cases, and not derived from the hands-on experiences of similar corporate position. Through F-Council, one is able to bypass the lavishing budget and receive only credible, practical, and specific guidance.

At F-Council Connect

F-Council Connect enables you to contribute your insights or business know-how to this finance executive community in an ultra-efficient and convenient way. The flexibility it provides allows you to be connected only at the time most suitable to your tight schedule.

You can easily intercept valuable business concept from millions of hours of real practical experiences accumulated by many leading finance executives in China. By leveraging and balancing these credible resources, you can avoid making similar mistakes, and leap far ahead beyond your business competitors.
